

Due to the recent recommendations and mandates from Los Angeles County for sweeping closure of dine-in restaurants, bars, nightclubs, schools and other entertainment venues,

Options for Youth Charter School will physically close its doors effectively March 23, 2020 to the public.

However, the school will remain OPERATIONAL with students working virtually through our online platform and staff may be working onsite and/or remotely to provide continued services while centers remain closed to the public . All teachers, staff and school administrators can be reached by phone call or email from 8:00am to 5:00pm Monday through Friday. Staff may be unavailable from 12:00 PM to 1:00 PM for lunch.
